Presentation, Proposals (max 100 words)	Since 1959 the Di Fiore Forni factory has been on the market for the artisanal production of professional ovens for pizzerias and bakeries. The constant search for improvement, is the characteristic that distinguishes us. In our production, we can list a wide range of models; wood, gas and electric, with static or rotating floor. Our ovens are designed, built and assembled with the highest quality materials, 100% made in Italy.
