					sustainable product.		
2)	Unfiltered for a Rich, Full-Bodied Taste Its unfiltered texture preserves natural flavors and aromas, giving the oil a full-bodied, slightly bitter profile that enhances traditional Mediterranean dishes.	2)	Naturally Crafted with No Chemical Treatments Produced solely by mechanical and physical processes, without any chemical alteration. This gentle process preserves the oil's nutritional properties, freshness, and unmistakable character.				
3)	Versatile & Gourmet Quality A superior category EVOO, perfect for raw use on salads, legumes, meats, fish and bread. Designed for those who appreciate premium, artisanal olive oil with a genuine rustic soul.	3)	Intense Fruity Taste with Herbaceous Notes Bonoli Bio stands out for its intense, fruity profile with green and vegetal notes, recalling aromas of fresh herbs and green tomato. Ideal both raw and in cooking, it enhances any dish — from vegetables and legumes to meats and fish — with a touch of genuine Italian flavor.
