Unaprol is one of the major Association of olive producers in Italy, they represent more than 100.000 olive farms all around Italy.

Fondazione Evooschool was founded in 2019 by Coldiretti, the main European Association for Agriculture. Evooschool has the mission to spread the culture and knowledge of extravirgin olive oil and table olives.

Unaprol and Evooschool are about to organize the third edition of English-language course for Professional virgin olive oil tasters, entirely dedicated to international operators.

The course is set up in accordance with the standards of the International Olive Council and authorized by the Ministry of Agriculture, Food Sovereignty, and Forestry, to get the Physiological Certificate of Eligibility to taste virgin olive oils. It is an extraordinary opportunity to attend a professional course in an international context and having the possibility to meet and discuss with experts in the field.
